## Objective

To design and develop technology-based performance improvement systems.

## Work Experience

8/2001 -- Present UW-Extension Madison, WI

### Distance Education Technician, Instructional Communication Systems

- Designed and delivered training solutions involving distance-learning technologies for staff and clients.
- Served as a project manager for certifying the connectivity of end users.
- Served as a technical liaison to technology vendors – Polycom, Sonic Foundry, Microsoft LiveMeeting
- Consulted and trained clients in the effective use of educational technology.
- Researched and developed plans to update audio, video, telephone, teleconferencing, and videoconferencing systems.
- Provided technical support to telecommunication customers.

4/1998 – 7/2001 Boulders Climbing Gym Madison, WI

### Manager / Climbing Instructor

- Delegated tasks to gym staff and supervised completion of tasks.
- Responsible for the safe training of over 500 climbers.
- Oversaw and constructed promotional campaigns.

9/1989 – 8/1998 RCJ Video Productions Madison, WI

### Videographer / Creative Services

- Produced, shot and edited weddings and special events.
- Assisted during sales meetings and trade shows.
- Researched and maintained multimedia equipment.

## Volunteer Experience

8/2008 – Present Madison, WI

### Small Group Leader

- Hosted weekly Bible studies: facilitated discussion, researched study topics.
- Organized bi-monthly service projects for our group of 8-12.

4/2008 – Present Madison, WI

### Ultimate Frisbee Captain

- Organized teams before registration.
- Conducted practice sessions to build skill and camaraderie.
- Planned on-field strategies to match each team member's strengths.
